PART I – INTRODUCTION AND FEATURES

1. INTRODUCTION:

The Non-Academic Employees of IIT Madras are integral to achieving the Institute's goals of excellence in Academics & Research. They perform multiple roles across Departments, Centres and Administrative sections and therefore have to be competent and up-to-date in their knowledge and skills.

The Ministry of HRD has recognized the above and conveyed its approval vide letter dtd. 05.07.2010 *“to consider amending the Recruitment Rules for various categories of posts to provide for vacancy based promotions. Recruitment Rules for each category of post providing for promotion at each level may be got approved by respective Boards.”* Further, MHRD vide letter No.F.32-14/2013/TS-I dtd.10.06.2013 has conveyed that *“IITs are allowed to design their administrative/management/technical staff structure as per requirement after due approval from their BoG”*. Accordingly, a draft Recruitment and Promotion Norms (RPN) was proposed and approved by the Board of Governors of IIT Madras (219thBoG, Resolution No. 49/2013 dtd. 10.12.2013). The existing RPN 2013 was reviewed and amended as RPN 2019 and approved by the Board (240th BoG, Resolution No.4/2019 dtd. 15.03.2019).

2. OBJECTIVE:

The main aim of Recruitment & Promotion Norms (henceforth called IITM RPN) is

- To appoint the best-suited candidate for a post by identifying appropriate eligibility norms and following a proper method of recruitment.
- To ensure a fair process of selection in accordance with the Act & Statutes of the Institute along with the guidelines/directions issued by the Government of India from time to time.
- To provide a career path to employees that will encourage consistent high performance and motivate employees to achieve excellence in their work, thereby attaining their career goals.
- To strike a healthy balance between the functional requirements of the Institute and the career progression of the non-academic employees.

3. CADERISATION:

Under these rules, the non-academic posts of IITM have been classified into two categories viz., Non-technical and Technical. The Non-Technical posts comprise of Administrative Cadre, Hindi Cadre, Security Cadre, Attendant cadre, Driver cadre, and Canteen Cadre. The Technical posts comprise of Technical Cadre, Institute Maintenance Cadre, Specialist Cadre, Institute Telephones Maintenance Cadre, Horticulture Cadre, Library Cadre, Health Services Cadre, Computational & Information Systems Cadre, Sports Cadre, and other miscellaneous categories. The details of cadres and levels therein are provided in **Part II**.

4. SANCTIONED STRENGTH:

The Sanctioned Strength is the total number of employees cadre wise determined by the Director of this Institute and subsequently authorized by the Board of Governors as per the instructions of the MHRD vide letter no. F.32-14/2013/TS-I dtd.10.06.2013. The number of employees operated shall be equal to or less than the sanctioned strength. This shall be termed as the operating strength.

The present sanctioned strength has been arrived at based on the student strength of 2018-19. This is subject to periodic review as envisaged in the para 7(iv) below.

5. METHODS OF SELECTION:

The methods of filling up of the post in each level have been prescribed for each cadre.

Two types of selection have been adopted under IITM RPN viz., (i) Open selection through direct recruitment, and (ii) Internal selection by promotion. These will be called Recruitment and Promotion, respectively.

- a) **Recruitment** is recruitment by an open advertisement which is open to all candidates based on prescribed age, educational qualification, experience, etc. as indicated in the IITM RPN i.e. recruitment from the open market. The minimum educational qualification, percentage of posts in a level in each cadre to be filled up by recruitment and experience required for direct recruitment are indicated in the Avenue Chart and Recruitment Rules enclosed in Part II & III.

- b) **Promotion** is a selection from identified feeder grades from among IITM employees to a higher post in the avenue prescribed in the IITM RPN. This will be as per the prescribed qualification, number of years of qualifying service, percentage of posts to be filled up by promotion etc. These criteria have been evolved to ensure that the employee has ample opportunity to demonstrate his/her competence for holding the higher post as indicated in the Avenue Chart & Recruitment Rules enclosed in Part II & III.

In addition, the Institute may go in for other modes of filling up of posts, as provided for in the statutes and DoP&T guidelines including deputation, contract, etc.

6. Appointing Authority:

In accordance with Section 25 of the Act, all appointments of the Non-Academic posts of the Institute, except that of the Director, shall be made by:

- a) The Board, if the appointment is made to the non-academic posts carrying Pay Matrix Level 10 (Pre-revised PB-3: GP 5400) and above as per 7th Central Pay Commission (CPC) and categorized under the Group 'A'.
- b) The Director, if the appointment is made to the non-academic posts carrying Pay Matrix level less than Level 10 (Pre-revised PB-3: GP 5400) as per 7th CPC and categorized under the Groups 'B' and 'C'.

7. Basic Principles of RPN:-

- i) RPN provides for merit-based career advancement in a given cadre based on the vacancies in the cadre.
- ii) All posts will be filled up as per the methods prescribed in the IITM RPN in force at the time of occurrence of vacancies. This is in addition to the operation of MACPS, which assures a time-bound financial upgrading.
- iii) If any decision is taken to create a new post or re-structure any service, the IITM RPN shall suitably be amended for that particular post with the approval of the Board.
- iv) The Director shall propose the number of posts in each level within the total posts sanctioned for IITM for the Board's approval as per MHRD norms. The present sanctioned strength is arrived at based on the student and staff ratio of 10:1.1 (on student strength of 10100). This will be reviewed every five years or whenever the

students' strength increases by 1000. The details of sanctioned posts under each category are given in **Annexure 1** of this part.

- v) Nothing in these rules shall affect the provisions regarding reservations, relaxation of age limit and other concessions required to be provided for Scheduled Castes, Scheduled Tribes and other categories in accordance with the orders issued by the Government of India from time to time. Accordingly, the rosters shall be recast as per Government of India guidelines.
- vi) The compassionate appointment shall be made as per current Government of India provisions i.e., maximum of 5% of vacancies at the entry-level post of Group-C category, in general, and technical category if qualified suitably, based on the requirement and availability of positions.
- vii) Subject to the powers specified in these norms, any amendment to the basic provisions in the RPN can be done only with the approval of the BoG.
- viii) Certain posts may require specific skills, experience or expertise which may be filled up through contract or deputation for a fixed period or tenure. The decision to fill these posts by contract or deputation will be made as per the statutes by the competent authority.

A cadre-wise avenue chart containing details of the post(s) along with the method of recruitment and eligibility criteria are given in Part-II. Detailed Recruitment Rules (RRs) for each of the posts are given in Part-III.
